Five republicans are reported to have been killed and a number wounded. One constable was killed.

The fighting followed the action of the Ulster police in taking possession of Belleek village and Magserene's cat

Special police from Belleek fort were ambushed and compelled to abandon their motor car, the driver of which was killed during the heavy fighting.

Both wings of the Irfish republican army, the insurgents and those under the free state government are believed. army, the insurgents and those under the free state government are believed to have been represented in the force which the Ulsterites encountered. Fall River, Mass., May 20.—Three men were drowned and three were rescued yesterday when a small sail boat tapsized in the Taunton river after two of the man had tried to exchange seats. A man named Antone, hearing the cries of the men clinging to the boat, set out for the capsized vessel in a rowboat wand arrived in time to save three of them. The accident occurred almost in midstream, about three-quarters of a mile from the Fall River ahore.

Three of the men sank almost immediately after the bow capsized. They were Manuel Souza, Antone Souza and a young man named Barney, whose first name the police could not learn.

Slayton slammed out a homer in this inning and duplicated the feat again in the third. The Randolph battery scored only one bit off from Slayton's delivery in the six innings which he pitched. They were fortunate enough to get seven hits and twelve runs off from weakened infield. Coach Lundholm who took the place of O'Keefe at catch made two nice triples and a single during the fray. Ladrie and Cella, who have been adorning the bench a great deal this season did some good hitting, the former getting a triple and the latter a single and double. The Randolph in the third. Laxatives Replaced

By the Use of Nujol Nujol is a lubricant—not a medicine or laxative—so cannot gripe.

When you are constipated, there is not enough lubricant produced by your system to keep the food wasto soft. Doctors prescribe Nujoi because its action is so close to this natural lubricant. Try it today.

A New Version.

A ludicrous distortion of Scripture occurred not long ago in an English school when a small pupil wrote of the Pharisees: "The Fareses were a mean, measly lot. One day one of them gave our Lord a penny and our Lord held it out in his hand and looked at it with scorn and said, "Whose subscription is this?" "—Boston Transcript.
